

# What's YOUR money history?

1. How was money handled in your household when you were growing up? Who had the lead role?

---

---

---

---

---

2. Was money discussed growing up? What did that tell you?

---

---

---

---

---

3. How does the way in which money was handled and discussed in your household while you were growing up impact your life today?

---

---

---

---

---

4. What is your worst memory that directly or indirectly involved money?

---

---

---

---

---

5. What is your best memory that directly or indirectly involved money?

---

---

---

---

---
